

Model Certification of Compliance with the
PhRMA Code on Interactions with Healthcare Professionals

We hereby certify that Sepracor Inc. has policies, procedures or guidelines in place to foster compliance with the PhRMA Code on Interactions with Healthcare Professionals as revised in July 2008 (the PhRMA Code) and its 15 sections regarding various aspects of pharmaceutical company interactions with healthcare professionals.

Specifically, with this certification, Sepracor Inc. states that:

1. the Company has made any necessary revisions to relevant policies, procedures or guidelines to reflect the requirements of the PhRMA Code;
 2. relevant employees have received information/training on the requirements of the PhRMA Code;
 3. the Company has considered and planned the steps it will take to monitor compliance with the requirements of the PhRMA Code on an ongoing basis;
- and
4. the Company has considered and planned the steps it will take to address reported incidents of non-compliance with the requirements of the PhRMA Code.

This certification is signed below by the chief executive officer and the chief compliance officer responsible for the Company's United States pharmaceutical business.
